ARTICLE 2: LOCATIONS AND DATES

Every month, a new virtual challenge! From July 1 to November 2, participants must complete the proposed challenge within the given period.

Where does this challenge take place? Everywhere, as it is a virtual challenge. Participants can complete the proposed challenges wherever they wish, in France and worldwide, alone or with others, respecting the "Eco-Responsible Runner's Charter" with their connected device (smartwatch or mobile app).

Upon confirming their registration for the Connected Training, participants will receive an email with a link to record their performance after each session by importing a GPX file of their activity from a connected device (watch OR app). Each participant can download their personalized bib in the event's colors online to wear during their sessions upon confirmation of their registration. During the monthly challenge, each participant can, if they wish, improve their performance as many times as they want within the allotted time.

ARTICLE 4: COMMITMENT

Participation implies express acceptance by each participant of these rules and the eco-responsible runner's charter.

ARTICLE 5: RACE TIME

Once the challenge is communicated by the organization on the Alpes-Maritimes Nice-Cannes Marathon's Facebook and Instagram accounts, competitors will have one month to complete the proposed challenge.
